

## SOUTH HILL PARK EQUIPMENT AVAILABLE FOR HIRE

### STAGING/SET PIECES

#### STEEL DECK

Dimensions: 8ft x 4ft and 4ft x 4ft

Steel frame. Wooden top.

Weight: 70kg

Colour: BLACK

Scaffold legs required to raise height

Quantity:

- 12 x 8ftx4ft
- 2 x 4ftx4ft

Cost : £15 per deck per week

Advantages: Modular. Decking can be bolted together to create large platforms/level for sets.

Hardboard tops can be screwed to the wooden top and painted.

Disadvantages: Heavy. Require minimum of 2 people to carry and up to 4 to put up if height exceeds 4ft. South Hill Park does stock leg braces to stabilise the deck when tipping, which can be used when decking is over 4ft which helps. Requires bracing dependant on height.
